

FOR IMMEDIATE RELEASE:

Kerasotes ShowPlace Theatres Announces “Matinee Movie Magic for Moms (and Dads)”

NEW LENOX, IL. - October 11, 2004 - Kerasotes ShowPlace Theatres today announced showtime offerings for selected features on Wednesdays and Saturdays specifically targeted for parents of young children. The program, “Matinee Movie Magic for Moms (and Dads)”, creates an opportunity for parents to attend first-run films in a baby-friendly environment, and without fear of disturbing fellow moviegoers. Moms and dads can now “sit back, relax and enjoy the show” instead of waiting for movies to come out on DVD.

We are responding to requests from our growing audience of new parents eager to get out of the house and see the hottest film releases with babies in tow. “We thank our loyal patrons for attending the ShowPlace 14 and are happy to be able to offer the Matinee Movie Magic program,” said Dean Kerasotes, Chief Operating Officer. Matinee Movie Magic for Moms (and Dads) will begin on Saturday October 16, 2004 at the ShowPlace 14 theatre in New Lenox and will be expanded to other ShowPlace locations in the near future.

Every detail has been adjusted to accommodate this special audience: theatre lights are dimmed to a comfortable setting when the movie starts, leaving parents with enough light to take care of their babies; the volume of the movie is turned down to a moderate level; moms (and dads) can also expect “valet parking” (strollers only).

Kerasotes ShowPlace Theatres’ special “ShowService” at the New Lenox ShowPlace 14 includes:

- State-of-the-art projection, digital sound and stadium-style seating in all auditoriums
- Fast and friendly customer service
- Large, efficient concession stands featuring Combo offerings that provide top quality brand selection at value prices
- Free refill on all sizes of popcorn, soda and ICEE® frozen beverages
- Advance internet ticketing available at Kerasotes.com or FANDANGO.com
- Telephone ticket sales through 1-800-FANDANGO
