**KERASOTES THEATRES EXPANDS PEKIN SHOWPLACE TO 14 SCREENS
Two New Stadium Auditoriums Debut June 18**

Kerasotes ShowPlace Theatres, LLC will expand its Pekin, Illinois ShowPlace from 12 to 14 screens on Friday, June 18. The project, constructed by Peoria-based CORE Construction, commenced in early April and is completed in time to offer more seating and screens for the upcoming summer blockbusters. The two new auditoriums feature large curved screens, stadium seating, and digital sound. Unique to theatres in the area, all auditoriums at the ShowPlace have “Euro-style” chairs which are the most comfortable available. These chairs have extra large fixed seat cushions, cupholder armrests which can be raised, and high backs for superior support. In addition, the parking has been expanded to accommodate more cars. Located on Illinois Route 98 just east of Illinois Route 29, the ShowPlace opened in 1999.

“We thank our loyal patrons for attending the ShowPlace and are happy to be able to offer two more large stadium auditoriums. Moviegoers will continue to experience our Movies with Magic at our expanded ShowPlace 14,” said Dean Kerasotes, Chief Operating Officer.

Kerasotes Theatres special “ShowService” at the Pekin ShowPlace 14 includes:

- State-of-the-art projection, digital sound and stadium seating in all auditoriums
- Fast and friendly customer service
- Large, efficient concession stands featuring “Combo” offerings that provide top quality brand selection at a value price
- Free refill on all sizes of popcorn, soda and Icees
- Advance internet ticketing now available at Kerasotes.com or FANDANGO.com
- Telephone ticket sales through 1-800-FANDANGO

Kerasotes ShowPlace Theatres, LLC is a family owned company founded in 1909 with corporate offices in Chicago and Springfield. Operating 76 theatres with 562 screens, it is the nation’s eighth largest film exhibitor.
